

REPORTED RAPE

Babysitter Sexually Assaulted

A young woman known as Mai walked into Pattaya Police Station on the morning of the 12th July to report that she had been sexually assaulted by a man whilst she was working as a babysitter.

Mai, aged 22, recently came to Pattaya a few days ago from Udonthani to work as a babysitter. On her very first day, she had the misfortune to get the attention of a taxi bike rider who worked outside the house in Soi

DD Furniture where she was babysitting in. At about midnight, whilst she was tending to two young children, the rider only known to her as Uan, broke into the room and demanded to see the mother of the children. She explained that the woman was working.

He then for some unknown reason, got angry and punched her and she fell onto the bed where he pounced on her, overpowered her and then sexually molested her, threatening her that he would kill her if she screamed. After the cowardly act, he got up and ran away. Officers made a report of the incident and will send the young lady to hospital for a medical checkup and a search is now on for the man known only as Uan, with a taxi shirt number 2.
