

## ESARN WEDDING

Traditional Thai Wedding Ceremony

A small village called Ban Khabuannakorn in the North East Esarn region of Khon Kaen was the centre of attraction and a hive of activity on the morning of the 10th August.

The reason being was that a traditional Esarn style wedding ceremony was about to take place between Mr. Taweesak Kanlaor and his bride to be Miss Pornwilai Osot.

In typical Thai wedding dress the groom who comes from Rayong walked with his guests through the village to the home of Miss Osot where they were ceremoniously welcomed to enter and begin the wedding blessing.

The happy couple met each other whilst working at the same company in Bangkok three years ago.

They started dating and now they decided it was

time to tie the knot in traditional Esarn and Thai fashion. Congratulations and all the best in the future.
