### MEETING PROGRAMME FOR SUNDAY 20 JUNE 2010

**Our Main Feature on 20 June – Tony Martin speaking on: Counterfeit Currency and Passport Stories.** This promises to be an interesting talk; no one wants to get caught out with counterfeit currency, possible visit to the local jail and not to mention the loss of your money that you exchanged for that counterfeit currency. He will also share fake passport stories as well from his

UK civil service career of 40 years. Tony was employed by the Home Office Immigration Service (now the UK Border Agency) as a Chief Immigration Officer, initially based in the UK at Heathrow and Gatwick airports. In 1995 the British government started posting officers overseas to assist airlines in denying boarding to passengers who were either not properly documented or who were using forged or fraudulent documents. He was employed as one of these officers overseas for the past 10 years, in Ghana, Nigeria, Bahrain, Jordan, Abu Dhabi, etc, etc. Tony recently retired from the civil service, and is now living in Jomtien.

and ask any questions you may have.
