MEETING PROGRAMME FOR SUNDAY 01 AUGUST 2010

Our Main Feature on 8 August – Our main feature speaker will be **Dr. Iain Corness from BPH, speaking on "Dengue Fever"**. Why has Dengue fever killed 32 people this year and almost 30,000 people have gone down with it? Should we be worried? What is Break-Bone Fever? What is Dengue Hemorrhagic Fever? Is there a cure? Dr. Iain Corness should be well known to almost everyone here, but

for those who do not, Dr Iain has led a very, very full life. Born in Northern Ireland, his birth certificate is stamped Lisburn Poor Law Institute, so he can claim he was born in the work house. He does not claim Irish nationality, however, as he was only there for the first few months of his life. "If you are born in a stable, it doesn't make you a horse," says Dr. Iain. He is a medical doctor and has worked in the UK, Europe and Australia, before coming to Thailand in 1997, where he is employed as a consultant at the Bangkok Hospital Pattaya. Motor racing has been his life-long passion. He began his motor sports career in 1965 and his last Australian race was in Melbourne in 1997. At the award presentation, he had to be helped onto the podium and decided that enough was enough, took his trophy and retired. However, like Nellie Melba, he has returned to the track and is still competing, building a car for the Retro series at the Bira Raceway. He is looking for sponsors! See him after the presentation! He has been writing professionally since 1967 and is currently a special correspondent, editor and contributor to news, and magazines in Thailand. Enchanted by the Kingdom after a holiday in 1975, but when the opportunity came to leave down-under he came to live permanently in Thailand in 1997. For more information on BPH please contact K. Nat International Marketing Coordinator

News... Videographer Wanted, in response to a request from a club member, we thought we would see if there are any budding videographer's in the club who would be willing to video the Main Speaker every week, and then put the talks on YouTube in a Club YouTube channel that we can all view. Since not everyone can come every week due to travel and other commitments, they can have the opportunity to see and listen to the talks of interest.
News... Continuing, in response to a member's request we will now publish the next week's speaker as well as announce it at the meeting so everyone can plan ahead. Our speaker for 15 August will be **Alex from Silverfish Computing** covering all you need to know about IT, so if you have any specific questions or concerns in the IT arena, please let us know this week so Alex can be prepared. Why not come along next Sunday morning (10:30am Brunch, 11:30 Programme start) to the **Grand Sol Hotel** (in the Theppraya Room, above the lobby), 370 Pattaya 2nd Road (north), near Tropicana Hotel, between the TOPS & BIG-C supermarkets. Bring a friend.
