MEETING PROGRAMME FOR SUNDAY 22 AUGUST 2010

Our **Main Feature on 22 August** – Our main feature speaker will be **Al Lock, Professional Photographer, Trainer and Consultant.** **Subject of his talk is: Photography; Thailand vs. America.** Al has significant experience with this subject, having been a Professional Photographer in New York City before moving to Thailand. Al will discuss the challenges of professional photography in America, and the differences involved in shooting in Thailand while

showing an assortment of his photographs from over the years. Despite the advent of digital photography and the widespread use of Photoshop, photography still relies on understanding and using light. Al is a long time resident of Thailand, having arrived here in 1995. In New York, he made his living as a commercial photographer. Since moving to Bangkok, he has worked as a consultant and business development manager for a number of organizations. But he has continued his interest and passion in photography and has shot a number of different kinds of images here in Thailand.

He can be reached on email: ghatbkk@gmail.com

It's not a knowledgeable stage presentation, it's the **PEC Members** programme segment, for all those practical questions on life in Thailand in general, and in Fun-Town in particular. Also during this session if you are new in town or to the meeting, feel free to grab the microphone and introduce yourself to the group and ask any questions you may have.
