In the ABC hotel, a

room is not just a place to sleep. The 53 rooms are the hotel's main feature.

The hotel wants their guests to fall asleep with a big smile. Outstanding choices of furniture, decor and general design give the rooms the exceptionally warm and picturesque visual result. Though, other than a visually pleasing setting, more important, is creating a structured environment of optimal well-being.

They believe that comfort and luxury is in the details. The hotel features a distinctive Swimming Pool which is surrounded with white sand and palm trees, making you feel as if you were staying at a Beach Club.

With the nearest coast situated two hours away, the idea of enjoying a 'relaxing tropical beach' holiday probably would never have crossed your mind. The basis of the hotel was to 'fantasize' and 'plant' a little tropical dream oasis with a beach in the heart of the hotel. The result is a

nature-inspired pool and Jacuzzi design with surrounding white sand and tropical foliage.

As you exit the hotel, turning left are various different nightlife amenities and a superb menu of restaurants. The Clark tax-free zone is situated just further up in this direction, which includes top-class restaurants, various entertainment parks and golf courses. To the right of the hotel is the dense pack of various Nightlife amenities and restaurants of Balibago, and also the direction to the center of Angeles city and Manila. Facing the hotel is the large SM Clark, shopping mall.

Upcoming Events at the ABC Hotel: There will be a Wine tasting event at the ABC Hotel on 16th June with Yats Wine Club and Kuzmundo by

Batis Azul. (With room accommodation, dinner buffet, wine tasting and breakfast for two). Beginning every Saturday in July a Bikini Open Contest will be held.
